

PATIENT INFORMATION

Please note the following regarding Toxopheresis® treatment:

BEFORE THE TREATMENT

- ✓ **Stay well hydrated** – Please drink at least 3 liters of water the day before your treatment. This will help ensure the best possible treatment outcome!
- ✓ Please bring **all signed documents** with you.
- ✓ **If your appointment is scheduled for 8:00 a.m.:**
On the day of the Toxopheresis, please have a good breakfast and also bring something to eat with you.
Drink at least 1 liter of water.
- ✓ **If your appointment is scheduled for 12:00 p.m.:**
Please make sure to drink 1.5 liters of water before your appointment. Have a good meal shortly beforehand, and bring something to eat with you.
- ✓ Wear comfortable clothing.

DURING THE TREATMENT

- ✓ Feel free to bring something for entertainment (tablet, phone, movie, music, audiobook), as you won't be able to use your hands during the treatment.

AFTER THE TREATMENT

- ✓ Please avoid physical exertion!
- ✓ Please keep the bandages in place and avoid showering until the day after your treatment.
- ✓ Do not drive after the treatment! – Please make arrangements so you won't need to drive yourself immediately afterward.

POSSIBLE SIDE EFFECTS

- Rare: Slight drop in blood pressure during therapy
 - Measures: Lie down, elevate your legs, stay calm, eat and drink something
- Tiredness
- Mild swelling of the eyelids or of the hands and feet
